Professional Summary

Aspiring Software Developer with strong JavaScript skills and hands-on experience in the MERN stack. Proficient in React, React Native, and Firebase. A quick learner with a passion for solving complex problems, crafting seamless UI/UX experiences, and integrating Generative AI to elevate application functionality.

Education

Masai School

Software Development

August 2024-present

Bengaluru, Karnataka

CSJMU University

Bachelor of Science

July 2021-April 2024

Kanpur, Uttar Pradesh

Projects

Todoist | HTML, CSS, JavaScript

[DeployLink](#) [GitHub](#)

- Collaboratively built a responsive clone of the Todoist task management application as part of a team project.
- Implemented key features such as task creation, editing, and deletion with a clean and user-friendly interface.
- Integrated local storage for persistent user data and added basic authentication (Sign up Login).
- Focused on writing clean, modular code and efficient DOM manipulation for enhanced user experience.

Stayver | React+vite, TailwindCSS, clerkAuth, Git

[DeployLink](#) [GitHub](#)

- Developed Stayver, a modern hotel booking platform with a social-media-inspired interface using React.js and Vite.
- Implemented Clerk Authentication to ensure secure user login, session management, and protected routes.
- Used localStorage to store data for improved performance and persistence.

Shopnetic | React Native, RESTful APIs, Git, CSS

[github](#)

- Developed a seamless navigation system using React Native to enhance user experience in the Shopnetic mobile application.
- Implemented advanced product search and filtering functionality, using RESTful APIs to ensure fast and efficient data retrieval.
- Integrated Expo Camera into the app, allowing users to upload product images directly, enhancing the app's functionality and user engagement.

Technical Skills

Languages: JavaScript, TypeScript, HTML, CSS

Frameworks & Libraries: React.js, React Native, ChakraUI, TailwindCSS

Database Experience: Firebase (used in projects)

Tools & Platforms: Git, Leetcode, RESTful APIs, Expo, Postman

Soft Skills

Soft Skills: Problem Solving, Teamwork, Effective Communication, Time Management, Adaptability

Extracurricular

Certificates: Participated in two major hackathons organized by Masai School via Xto10X platform, including: Hackathon Certificate. Also earned: [Construct Week Certificate](#), [MSM Certificate](#).
